Sub Increase of contingency charges from Rs 2 to Rs 5 per month in Magadi Municipality

I have the honour to state that the municipal council, Magadi have at their meeting held on 30 4 47 resolved that the contingent charges may be increased from Rs 2 to Rs 5 per month In this connection it has to be stated that at present the prices of all stationery articles etc have increased enormously with the result the present rate of Rs 2 per month is quite insufficient The Municipality is running a High School also and the correspondence has therefore increased to a great extent Necessary provision has been made in the sanctioned budget estimates of the municipality for 47-48

In the circumstances I request that sanction of Government may kindly be accorded for increasing the contingent charges from Rs 2 to Rs 5 per month as resolved by the municipal council The financial position of the municipality permits the above extra cost
